

Kronenringe Jewellery Residency for Emerging Artists

Landsberg am Lech, Germany

About the Program

Created in 2025 in memory of Barbara Helleis (1967–2025), Kronenringe offers four emerging artists a fully funded three-month residency each year at her historic goldsmith's workshop in Landsberg am Lech – including accommodation, a stipend, travel expenses, and full studio access. Each residency concludes with a public exhibition.

Become a Partner Institution

Join our international network of schools and academies. Share open calls, nominate candidates, shape the jury – on your own terms. Together we build new visibility for contemporary jewellery art.

Artist Residency Program

Landsberg am Lech, Germany

a project by dieKunstBauStelle e.V.

Partner schools share our open calls directly with their students and nominate candidates for selection. Nominated artists enter an international professional network and gain an immediate exhibition platform. Partner institutions are listed on our website and become part of a growing global community of jewellery schools and academies. Funded through institutional grants, private donations, sponsorships, and the estate of Barbara Helleis.

Partner Schools & Academies

We actively seek international schools, academies, and design institutions to join our network.

- *Share open calls with your students*
- *Nominate candidates or join the jury*
- *Co-design workshops and formats*
- *Gain visibility in our international network*

One shared goal: making contemporary jewellery art visible worldwide.
